SHINE JACOB & DEV CHATTERJEE Chennai/Mumbai, 23 May

The Dalmia Bharat group is facing an income tax (I-T) scrutiny following an April 23 ruling of the Madras High Court, which upheld the reopening of I-T assessment proceedings against Dalmia Cement (Bharat) Ltd (DCBL) in a transaction involving US-based private equity giant KKR & Co.

The tax authorities have alleged that an investment of ₹500 crore made by KKR Mauritius Cement Investment Ltd, a KKR & Co investment vehicle, in DCBL in 2010-11 for a 14.99 per cent stake, prima facie suggests round-tripping of unaccounted money by the company.

An email sent to the Dalmia Bharat group on Tuesday did not elicit any response till the time of going to the press. KKR & Co declined to comment.

KKR & Co itself is not a party to the case and has not been accused of any wrongdoing so far. A legal source said the matter is between the tax authorities and Dalmia Cement, and KKR & Co has not been a party to the court proceedings in any way. Accordingly, there is nothing for KKR to appeal against the order, the source said.

The I-T department's suspicion arose as Dalmia Bharat (DBL) bought back the shares sold to KKR Mauritius Cement Investment Ltd for ₹1.218 crore in January 2016, in the form of ₹600 crore in cash and ₹618.75 crore in DBL shares. This reportedly gave KKR & Co an 18 per cent compounded return and a total exit value of ₹2,138 crore, including gains from a later off-market exit.

The I-T department subsequently proposed to reopen the search assessments of the three companies.

### Case at a glance

- May 7, 2010: DCBL, its holding company DBL, and KKR Mauritius Cement Investments sign share subscription and shareholders
- September 3, 2010: KKR invests ₹500 cr in DCBL, gets 37.9 mn shares
- January 15, 2016: DBL buys back KKR's shares in DCBL for ₹1,218 cr via cash-and-share deal
- March 28, 2018: I-T dept sends a tax evasion petition, suggesting KKR was round-tripping of Dalmia's black money
- July 30, 2018: DCBL, group companies file writ petitions in Madras HC
- October 30, 2019: Single-judge Bench of HC quashes reopening notices, holding that disclosures were adequate
- April 23, 2025: Division Bench of HC overturns 2019 ruling, upholding reassessment as valid due to failure to disclose full facts

The latest judgment supports the tax department's power to reopen assessments based on new information with regard to potential tax avoidance schemes involving foreign entities. The order marks a win for

years, ramped up scrutiny of cross-border investment flows amid concerns of moneylaundering and tax avoidance.

The Madras High Court judgment in the Dalmia Bharat-KKR tax assessment reopening matter raises significant concerns regarding its treatment of globally reputable financial institutions. The court's deference to the tax department assessing officer's 'reason to believe' standard and certain speculative allegations of roundtripping, without a rigorous examination of the underlying evidence, is alarming, to say the least," said Hardeep Sachdeva, senior partner, AZB & Partners.

In the judgment, a division bench of the Madras High Court overturned an earlier single-bench order quashing the reopening notice, ruling that Dalmia Cement failed to make a "full and true disclosure" of material facts during the original assessment.

"The materials relied upon by the assessing officer (I-T department) prima facie indicate that KKR Mauritius is a shell company. The scale of returns and the manner in which the transactions had been conducted also prima facie suggest round-tripping," the division bench said.

Interestingly, the holding company as well as DCBL had entered into definitive agreements-namely, a share subscriptionagreement and a shareholders' agreement -with KKR Mauritius Cement Investment in May 2010. However, copies of the agreement were allegedly not placed before the department. The high court emphasised that the tax department's move was backed by credible material and not "market gossip". The court also remarked that 'when an equity firm invests ₹500 crore and exits with over ₹2,000 crore in a few the I-T department, which has, in recent years, there is more than meets the eye".

# **Cushman looks** to deploy ₹3K cr for 'offices of the future'

PRACHI PISAL Mumbai, 23 May

US-based commercial real estate services firm Cushman & Wakefield, in a joint venture with wealth management firm Nuvama, will focus on Grade-A+ office spaces across key Indian cities for the deployment of its first office fund of ₹3,000 crore.

The fund will focus on Grade-A+ "offices of the future" across key micromarkets in the National Capital Region (NCR), Bengaluru, Pune, Mumbai, Chennai, and Hyderabad. It aims to offer opportunities to investors in the Indian commercial real estate sector, a market historically dominated by global players.

Anshul Jain, chief executive-India, Southeast Asia, and APAC tenant representation, Cushman & Wakefield said: "We did the first close at almost ₹1,700 crore. It was a very successful fundraiser, but we're just about to start deploying that money. We will target new developments and completely leased assets.

The firm is banking on the growing office space demand in India, which, in 2024, stood at a record high of 89 million square feet (msf), up 19 per cent year-on-year. The surge was led by global capability centres (GCCs), which accounted for about 27-29 per cent of the overall demand.

Jain explained GCCs' increased leasing in India had to do with the quality of talent, skill availability, and the possible cost arbitrage in India.

Moreover, Jain said the office space

demand in the country was moving more towards institutionalised developers since they are more likely to deliver promptly. "The counterparty risk is lower. For institutional developers, pre-commitments for their launched commercial projects are higher, and they are doing better. But a smaller developer who is developing their first or third building may not get pre-commitments. They have to wait for the project's completion," Jain added. He expects India's Real Estate Investment Trusts (Reits) to do well since "corporations always like institutional-quality landlords a lot more than smaller developers or owners." According to Jain. India has accounted for about 60-65 per cent of Asia's total

office demand in the last two years.

# CCI finds global ad agencies' collusion on commissions

**REUTERS** 

The Competition Commission of India (CCI), India's antitrust body, found that global ad agencies breached laws by coordinating on commissions they charge advertisers, prompting the watchdog's raids on advertising and media companies, according to a document which sheds new light on the investigation.

**Gold for Your Goals** 

The CCI conducted surprise raids in March at the local offices of ad agencies WPP-owned GroupM, Interpublic, Publicis and Dentsu and at the offices of an Indian broadcasters' body and an association of advertising companies.

A CCI document, dated February 7, and seen by Reuters on Friday sheds new light on allegations that three cartels operated through three industry groups: the Indian Society of Advertisers (ISA), Advertising Agencies Association of India (AAAI) and Indian Broadcasting and Digital Foundation (IBDF). Before the raids, the CCI reviewed evidence that showed the alleged misconduct was prevalent since at least 2023, and advertising agencies exchanged commercially sensitive information and agreed to adhere to pre-decided commis-

### The allegations

- 3 cartels operated via 3 different industry groups: ISA, AAAI and IBDF
- Misconduct was prevalent since at
- Ad agencies exchanged commercially sensitive information on WhatsApp
- Agencies decided to adhere to predecided commission structures
- Discussed "retaliatory action" against members who failed to follow these

sion structures.

"AAAI and its members are in contravention" of competition laws, the CCI noted in its initial review, while ordering the investigation which triggered the March raids.

AAAI also often organised virtual meetings among members to align on prices and responses to be shared with clients, the document said. The groups — AAAI which represents

GroupM, Dentsu and Publicis, ISA, and the IBDF group of broadcasters - did not respond to Reuters queries. The CCI also did not respond to a request for comment.

# IRB Infra eyes road assets of ₹1.4 trn in 3 yrs

PRACHI PISAL Mumbai, 23 May

IRB Infrastructure Developers, India's largest road operator, plans to have road assets of ₹1.4 trillion in three years from a base of ₹80.000 crore.

Growth will largely come from the toll-operate-transfer

director, investor relations, IRB Infra, told *Business Standard* in an interview.

The company will bank on its balance sheet and the government's road asset monetisation programme to bid for TOT projects. "In the last decade, the road sector saw significant gov-

projects were funded entirely by the government and were in the engineering, procurement, and construction (EPC) segment, with a few in the TOT build-operate-transfer and (BOT) segments. Now, those

assets are poised for monetisa-

tion. We believe there are

(TOT) segment, Anil Yadav, ernment expenditure. Most immense opportunities available, and we will be targeting them. We aim to achieve an asset base of ₹1.4 trillion in the next three years," Yadav said.

The National Highways Authority of India (NHAI) has identified 24 assets for monetisation in FY26, preferably on a

# Northeast emerges as India Inc's next big bet

PM says first Made-in-India chip from an NE-based semiconductor plant will be introduced soon

JADEN MATHEW PAUL

India's top industrial houses, led by Reliance Industries, the Adani group, and Vedanta group, on Friday pledged a number of investments across sectors in the Northeast region.

Addressing the Rising North East Investors Summit. Prime Minister Narendra Modi said diversity of the Northeast is its biggest strength, and every state in the region is declaring its readiness for investment and leadership.

'The Northeast is emerging as a key destination for two strategic sectors — energy and semiconductors," he said.

He said the first Made-in-India chip from a Northeastbased semiconductor plant will soon be introduced, signalling a major milestone for the region that will unlock opportunities for cutting-edge technology and solidify the region's position in India's high-tech industrial growth.

He said the Northeast was once associated with "bombs, guns and blockades" that severely impacted opportunities for its youth. "Our government has a zero-tolerance policy against terrorism and insurgency," he said.

Speaking at the inaugural session of the Rising Northeast Investors Summit in New Delhi, Mukesh Ambani, chairman and managing director, Reliance Industries, said the group would more than double its investments in the region to ₹75,000 crore over five years, spanning across sectors like digital infrastructure, clean energy, retail, healthcare, and sports. "Reliance has invested around ₹30,000 crore in the past 40 years. In the next five vears, we will more than double our investments," said Ambani, adding that the initiative is expected to create over 2.5 million direct and indirect

lion and integrate AI into had announced a ₹50,000 With inputs from PTI

education, health care, and crore investment in Assam. enterprises. Reliance Retail plans to expand procurement from local farmers and artisans while setting up FMCG factories. In the clean energy space, the conglomerate will develop 350 compressed biogas plants, turning "vast wasteland into wealth-land," said Ambani.

The group's philanthropic arm, Reliance Foundation, is expanding its presence with a 150-bed cancer hospital in Manipur, a genomic breast cancer care initiative with Mizoram University, and one of India's largest genome sequencing labs in Guwahati.

Anil Agarwal, chairman of Vedanta Group, also pledged ₹30,000 crore in investments in Arunachal Pradesh, Nagaland, Tripura, Meghalaya, and Mizoram, with plans to generate up to 100,000 jobs.

The investment will be made in the fields of oil and gas, critical minerals, refining facilities, power, optical fibre, system integration, renewable energy, transmission sectors, Reliance Jio will double its and data centres, Agarwal said. 5G subscriber base from 5 mil- Earlier this year, the company

"Today, the states of the Northeast are growing in double digits. Vedanta is fully committed to investment in the region, which has the most amazing natural resources potential, from oil and gas to critical minerals, and an exceptional pool of talented said resources," human Agarwal.

Adani Group Chairman Gautam Adani announced an additional ₹50,000 crore investment over the next decade, building on a ₹50,000 crore commitment made in Assam three months ago.

"Our focus will span green energy, including smart meters, hydro, pumped storage, power transmission, roads and highways, digital infrastructure, logistics, as well as capacity-building through skilling and vocational training centres," said Adani.

"More than infrastructure, we will invest in people. Every initiative will prioritise local jobs, local entrepreneurship, and community engagement,"

# हार्वर्ड विद्यापीठात दुसऱ्या देशांतील विद्यार्थ्यांना नो एन्ट्री

वॉशिंगटन, दि. २३: अमेरिकेच्या माजी राष्ट्राध्यक्ष डोनाल्ड ट्रम्प यांच्या प्रशासनाने शिक्षण क्षेत्रात मोठा निर्णय घेतला आहे. ट्रम्प प्रशासनाने हार्वर्ड

विद्यापीठातील परदेशी विद्यार्थ्यांच्या प्रवेश प्रक्रियेवर थेट गदा आणली आहे. गृह सुरक्षा विभागाने अर्थात होमलँड सिक्युरिटीने (डीएचएस) घेतलेल्या निर्णयामुळे हार्वर्ड विद्यापीठाची परदेशी विद्यार्थ्यांना प्रवेश देण्याची पात्रता रद्ध करण्यात

आली आहे.

गृह सुरक्षा विभागाच्या माहितीनुसार, विद्यापीठाने ७२ तासांच्या आत सर्व परदेशी विद्यार्थ्यांची तपशीलवार माहिती अमेरिकन सरकारला द्यावी लागेल. सध्या या विद्यार्थ्यांना इतर विद्यापीठे किंवा कॉलेजमध्ये प्रवेश घेण्यास सांगण्यात आले असून, असे

न केल्यास या विद्या र्थ्यांना देश सोडावा शकतो. आता या निर्णयाचा मोठा परिणाम हार्वर्डमध्ये सध्याशिक्षण घेत असलेल्या अंदाजे \$200 परदेशी विद्यार्थ्यां वर होणार आहे.
